■ EcoResortHotel Warsaw – Harmonious Rest Chapter 1

Welcome to EcoResortHotel Warsaw, a place where modern comfort meets the philosophy of mindful living. In the heart of Warsaw, we have created a space that allows you to relax from the hustle and bustle of the metropolis, maintaining a connection with nature and inner balance.

EcoHarmony™ embodies mindful living. Whether you are relaxing with yoga overlooking the Warsaw skyline, savoring organic cuisine in the sun-drenched atrium, taking part in a botanical print workshop, or allowing yourself a discreet moment of excitement in our games room - every moment is created with care, attention and inner balance.

At EcoResortHotel Warsaw, we believe that relaxation is more than silence. It is an experience that opens up a new depth to everyday life:

- Yoga on an open terrace above the city rooftops.
- Exquisite dishes made from local products in our eco-restaurant.
- Art activities: botanical printing, still lifes in the nature-art style.
- Urban walks through “green Warsaw”.
- Retreat programs: meditations, digital detox, quiet evenings.
- A discreet, cozy premium game room — for those who value privacy.

Every detail of our space — from natural fabrics in the rooms to environmentally certified cosmetics — works towards the main goal: to create a vacation with meaning.
